Early repayment charges (ERC)

During the early repayment charge period, overpayments can be made up to 10 % of the outstanding mortgage balance on last anniversary or account open date without incurring an early repayment charge. Overpayment payments that exceed 10 % of the outstanding mortgage balance on anniversary or account open date within any contractual year will incur an early repayment charge. Cashback is repayable if the loan is redeemed during the initial product period.

Product	Early repayment charge	Until
